

The Bones of Deer: A Collection of Canadian Poetry (Paperback)

By Gordon R Menzies

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Impactful lamentations and sensual soul song dug from an earthy, visceral existence and a pensive, youthful penury. these poems include some of the earliest works of the Canadian poet Gordon R. Menzies. As when a skin drum is struck repeatedly and the sound of it echoes through the world loud enough to feel it in your very bones, so too here is what resonates from a natural man of letters when life sends wave after wave of challenges and ambushes on his intensely personal and winding road above the earth. He's found many things beneath the stones. Embrace the brooding mind of a wild wordsmith untamed.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
